DESCRIPTION

Wire brushed Larch or other timber legs. Selection of stone tops available.

DIMENSIONS

1100W x 320H mm | 43.3W x 12.6H in

DISCLAIMERS:

TIMBER - Different textures, grains, colouration and densities are all natural characteristics of timbers. We find these variances an inherent and valuable part of the natural beauty of wood, no two pieces are the same making each OKHA design a unique, characterful piece and each product will be different from the next. Timber movement will also occur as this is a natural product.

MARBLE, STONE, GRANITE - Each slab of these natural materials vary in colour, tone, movement and veining; we find these variances an inherent and valuable part of the natural beauty of stone, no two pieces are the same making each OKHA design a unique, characterful piece and each product will be different from the next. We choose materials individually, taking full advantage of their natural imperfections and individual qualities.

METAL OPTIONS

Brushed Oxidised Brass

Polished Brass

Sanded & Brushed Brass

WOOD OPTIONS

French Oak

DESCRIPTION

Brass Frame | French Oak Top

DIMENSIONS

1120W x 860D x 280H mm | 44.1W x 33.9D x 11H in

DISCLAIMERS:

METALS - All raw metals; brass, copper, mild steel in their respective finishes are unsealed. Metals in a raw, natural and unsealed state will oxidise and change in colour and tone. This is a completely natural process, therefore all our metal finishes will need to be maintained with an appropriate wax/crème, the application of which will build up a natural sealant over time. **Ferrogain**: a lightly textured matte paint finish.
