### DESCRIPTION

Lower Left Door: Sand Cast Brass / Aluminium / Copper

Right Door: Mirror Polished Brass / Aluminium / Copper

Surround and Interiors: Mirror Polished Brass / Aluminium / Copper

Shelving: Ash / Oak / Walnut

LED light

### DIMENSIONS

800W x 355D x 1400H mm | 31.5W x 13.2D x 55.1H in

### DISCLAIMERS:

**TIMBER** - Different textures, grains, colouration and densities are all natural characteristics of timbers. We find these variances an inherent and valuable part of the natural beauty of wood, no two pieces are the same making each OKHA design a unique, characterful piece and each product will be different from the next. Timber movement will also occur as this is a natural product.

**METALS** - All raw metals; brass, copper, mild steel in their respective finishes are unsealed. Metals in a raw, natural and unsealed state will oxidise and change in colour and tone. This is a completely natural process, therefore all our metal finishes will need to be maintained with an appropriate wax/crème, the application of which will build up a natural sealant over time.
